
Title: Azreal's Proclamation

Author: Azreal Lu'Rael

Hail Noble Lords and
Ladies,

The time has come to
liberate Sosaria from the
unworthy rule of Lord
British's Regent Lord
Kronos and his Kingdom.
To long I and my father
have seen Virtue treated
in ill-respect, walked upon
like common trash and
filth, and layed to die.
NO LONGER will the
people and true ruling
body of Sosaria bear
witness to such atrosity's
including the MURDERING
of peoples based solely on
thier race, for example
the orc'en people.

With Lord British on his
journeys in the
far-away-lands Lord
Blackthorn is the next
true ruling heir of
Sosaria. A kingdom and
people robbed from him
by this rabble and filth
infesting our places of
honor!

Crimes against virtue and
Sosaria run rampant and
yet NOTHING is done. The
time has come to choose
your loyaltys.

The ruling bodys of
Sosaria have one weeks
time to prepare and
defend thier decision. In a
date soon to be
announced by The Imperial
Order of Blackthorn shall
the people of Sosaria
declare thier fealty to

Lord British's Regent
Lord Kronos or to the
true lord of Sosaria Lord
Blackthorn. Those whom
choose not to attend
shall be marked an enemy
and traitor of the
Sosarian people under the
rule of Blackthorn.

Those whom choose nay a
side and choose to hide
in the shadows as
cowards shall be treated
as such and as traitors
and will be put to
execution lest they have
the conviction of ending
thier own life to bar
their familys from
dishonor.

What follows shall be
considered the Laws of
the Land under the true
ruling order. The eight
laws are derived from
the eight virtues
themselves and as such
are above question.

The Law of Compassion
Thou shalt help those in
need,
or thou shalt suffer the
same need.

The Law of Honesty
Thou shalt not lie,
or thou shalt lose thy
tongue.

The Law of Honor
If thou dost lose thine
Honor,
thou shalt take thine own
life

The Law of Humility
Thou shalt humble thyself
to thy superiors,
or thou shalt suffer
their wrath.

The Law of Justice
Thou shalt confess thy
crimes
and suffer just

punishment,
or thou shalt be put to
death

The Law of Sacrifice
Thou shalt donate half
thy income to charity,
or thou shalt have no
income.

The Law of Spirituality
Thou shalt enforce the
laws of virtue,
or thou shalt die as a
heretic

The Law of Valor
Thou shalt fight to the
death,
or thou shalt be banished
as a coward.

These eight laws shall be
the binding and glue of
the fabric of Sosaria's
new visage of rebirth.

You shall choose to serve
Sosaria and her people or
you shall die serving
those of a weak tyranny
known as your Regency.
Choose your fealty wisely
and I pray with 3
principles of Chaos...

Tolerance is that which
encourages the acceptance
of all things.

Enthusiasm is the energy
that allows one to
perform great tasks.

Emotion is the ability to
perceive those feelings
that come from the
heart, as opposed to
those from the mind.

To the rebirth of a
people and an Empire!!!
